Have You Done a Pipeline Study?

PDQ Question: Responses by close of business, Monday March 14

1. Have you (or someone in your state) conducted a study or analysis that followed participants in ABE, ASE, and/or ESOL programs over time to determine how many transitioned into postsecondary education or training? Yes or No.
2. If yes, can you share a) a brief description and/or b) a copy of any report you did? Or just let us know you have something and we can follow up later.
3. Send any responses by replying to this email or send a separate email to Lennox at lmclendon@naepdc.org and put *PIPELINE* in the subject line.
4. Our deadline is close of business, Monday March 14 and we will send the information over Tuesday morning.

Thank you for your prompt response.
