Farewell Helene

With sadness we received the note below from our colleague Helene Grossman who has not only been a valued colleague but has also made many contributions as a member of the Executive Committee for our two organizations. We wish Helene the best in her new position.

From Helene.

I am excited to inform you that I will be officially retiring from the Iowa Dept. of Education in the next few weeks. I have accepted a position with Viterbo University as the Iowa Program Administrator. This is a position I have prepared for throughout my entire career.

You have all been a pleasure to work with over the last five plus years. We have certainly been on a rocky road, and I wish you all success in your work and hope that the coffers open, and adult literacy receives the funds needed to meet the needs of all our students.

Please keep in touch. My home email is helenej11@gmail.com
