Check Your States Data for Upcoming Publication

Send your responses to Lennox at lmclendon@naepdc.org with Subject Line CLASP/NCSDAE PUBLICATION.

In February 2012, a number of you participated in the CLASP/NCSDAE survey of Funding, Tuition, and GED policies sent through this listserv. Attached is the write-up of the survey results in a new forthcoming paper, *Sinking or Swimming: Findings from a State Survey of Adult Education Tuition and Financing Policies*.

In order to ensure that the paper reflects as comprehensive and accurate results as possible, we would now appreciate **your comments on the attached**. Specifically, we ask that you:

- **Double-check your state's responses** to make sure they are accurate (in each section and in the Appendices)
- Time permitting, review the paper for any "big picture" themes that you think we missed or glossed over too much.

In addition to what you see here, the final version will also include an Executive Summary that covers the major findings of the report. We are excited about this project and think that it's a very timely piece for the field as funding is becoming more scarce and the demands on available funding are growing. As such, we would appreciate your feedback by **Friday, May 18th**.

Thank you,

Lennox McLendon
