**Randy Stamper's New Position**

Our colleague Randy Stamper (VA) sent this note about his move to the community college system.

“Early last week, I accepted an offer from the Virginia Community College System to fill an appointment as the Assistant Vice Chancellor for Career Pathways and Workforce Development. I will transition to this new post at the end of June. It is an outstanding opportunity, and I look forward to the work of expanding Virginia’s burgeoning career pathways system and the new challenges that await me.”

Congratulations Randy and thank you for your contributions to our work.

Best wishes in your new role.
