### **Colleague Question – Curriculum Workgroup**

Marie Mackintosh (IN) is seeking your help.

We are trying to form a curriculum workgroup in Indiana to develop content standards that align to the Common Core. We're going to look closely at what some of our colleagues in Kentucky and West Virginia are doing. However, I would be very interested in what other states have done in terms of developing a workgroup/committee/taskforce around content standards and curriculum development. What was the structure? Who was involved? How did you select members? Were there bylaws? Was your state association involved?

**Please send your responses directly to Marie** at [mmackintosh@dwd.in.gov](mailto:mmackintosh@dwd.in.gov)
