Colleague (former) Question: Family Literacy Funding

Dear State Directors of Adult Education,

As a former State Director, I know how very busy you are. And yet, here I am asking for your assistance. I am currently working for the Barbara Bush Foundation for Family Literacy and I have been asked to collect information from each state on family literacy funding. I would appreciate it if you, or someone on your staff, would respond to the eight brief questions on this Survey Monkey link <http://www.surveymonkey.com/s/6N2QYBD> by Wednesday, December 19, 2012.

Thank you.
