Colleague Questions: Community Needs Survey

Please **respond directly to our colleague John Anderson (SD)**
(John.Anderson@state.sd.us) if you can help him with the following:

Greetings. One of South Dakota's local providers (under WIA Title II) seeks a survey template in its preparation to assess an area community's adult education and skills training needs; the results of this planned survey will help determine the feasibility of an outreach satellite for AEFLA-related instruction and activities, as well as possible GED® testing services. Can someone South Dakota with such an *Adult Education Needs Survey* template?

Appreciatively,

John P. Anderson
