### **Resources: Career Pathways and Teacher Quality**

As a part of the National Training Institute (NTI) in New Orleans in November, we developed "NAEPDC Decision Points" in two areas:

- College and Career Readiness/Transitions and
- Teacher Quality and Effectiveness.

Each document spells out the decisions a state staff needs to make and identifies the resources we have to address each.

Go to our website [www.naepdc.org](http://www.naepdc.org) and at the bottom of the home page click on "Institute Handouts"

ALSO, if you have resources to add to the matrix, please send them on to Lennox at [lmclendon@naepdc.org](mailto:lmclendon@naepdc.org)

Later we will migrate these resources to our Resource Library and continue to add new resources.

All NAEPDC *News, Views, and Clues* are archived at:  
[http://naepdc.org/news\\_views\\_clues/nvc\\_home.html](http://naepdc.org/news_views_clues/nvc_home.html)

Keep up the good work. Let me know when we can help.
