**YOUR IMMEDIATE ATTENTION IS REQUESTED**

Here is your opportunity as a state director of adult education in your state to exercise your right to select people who will lead us into the next two years of exciting and successful ABE advocacy and professional development.

NCSDAE and NAEPDC are looking for a few good people to serve on the Executive Committee. The Executive Committee consists of ten elected members including the Chair, Chair-elect or Immediate Past Chair, and eight elected members-at-large and one appointed member a Treasurer,

Elected members-at-large serve two-year terms. Four members-at-large are elected in the even numbered years, and four are elected in odd numbered years. **This year being an odd numbered year there are four two-year positions up for election.**

- Four elected positions for Members-At-Large to fill positions for members whose terms will expire in June 30, 2013.

Please take a few moments to select from our membership, a nominee or nominees from the State Directors who you feel will best serve your state/regional needs on the Executive Committee as members-at-large. Please consider nominating yourself. **All council members in good standing\* are eligible.** The Nominations Committee will review your responses and submit the top candidates (after confirming their willingness to run) as the slate of nominees for the Executive Committee.

Your participation in this process is greatly appreciated and very important. The Executive Committee plans professional development for state staff and represents our interests and works with national policymakers concerning issues that impact each us, our programs and most importantly, our students. Congressional action for federal appropriations and the re-authorization of the Workforce Investment Act are but two example of the need for all members to participate in the nomination process, ensuring your voice in a leadership team that will best represent adult learners' needs in your area. NO ONE knows the needs of adult learners in your states better than you.

Please email me your nomination for members-at-large who you feel will best represent you, your state/region on the Executive Committee. A complete listing of State Directors may be found at [http://www.naepdc.org/Members/members\\_home.html](http://www.naepdc.org/Members/members_home.html)

**Email your nomination form (below) to me, NO LATER THAN Friday April 26th, 2013. Do it now, so you won't**
