Job Opening --Texas State Director

The state of Texas is considering moving adult education to the Texas Workforce Commission. To that end, below is a solicitation for applications for the state director position. Details are attached.

The Texas Workforce Commission is seeking applications from interested and qualified candidates for the Adult Education Director position. This position also serves as the ABE State Director for the WIA, Title II, AEFLA program.

The 83rd Texas Legislature is considering legislation that may relocate the Adult Education Program to the Texas Workforce Commission. For planning purposes, this job is posted, and review of applications from interested candidates will begin; however, the availability of this position and a final offer of employment is contingent upon a final decision by the Texas Legislature to transition this program to TWC.
