High School Equivalency Options Update

Kudos to Bob Purga (NY) and the NAEPDC High School Equivalency Options Workgroup for continuing the discussions and amassing the resources states need to make decisions about HSE.

Website Updates: We have two web site updates thanks to **Reecie Stagnolia (KY)** who has taken on the unenviable task updating these moving targets:

1. State Options for HSE: This document identifies which HSE options each state has chosen. <http://www.naepdc.org/HSESummaryUpdated3-26-14.pdf>
2. Cost to Examinees: This spreadsheet identifies each state's costs and the last column identifies the ultimate cost to the examinee. [http://www.naepdc.org/HSESummary+\\$Updated3-26-14.pdf](http://www.naepdc.org/HSESummary+$Updated3-26-14.pdf)

These documents are posted on the NAEPDC website, main page (www.naepdc.org), center column at the bottom.

Thanks to each state for supplying these data.

Please forward any changes to Reecie at Reecie.Stagnolia@ky.gov with the subject line of “HSE Update.”

In the near future we will be posting the RFPs and RFIs states have used as well as changes in state statutes.
