Hail and Farewell

Hail: We are pleased welcome **Gene Sofer** to NAEPDC/NCSDAE as Government Relations Consultant. For nine years, Gene was Counsel to the House Education and Labor Committee where he was a senior member of the Committee staff and directed the Committee's budget and appropriations strategies. Earlier he served as a staff associate on the House Committee on the Budget.

Currently as a partner in The Susquehanna Group, Gene consults to nonprofit organizations and represents clients in adult education and workforce development, youth policy and national service.

Gene brings a wealth of experience in adult education issues and Hill strategies. We are thrilled that he is willing to share that expertise with the state directors. Hopefully, you will get a chance to meet him at the upcoming state directors' meeting.

Gene's contact information: (202) 363-6101 eugenesofer@gmail.com

Farewell: **Jeff Carter**, our previous Government Relations Consultant, has taken an exciting job with a California firm, Digital Promise, as Director of Adult Education Initiatives. In that position, Jeff is exploring opportunities for digital learning throughout adult education. We appreciate his contributions to our

work and wish him the best in his new venture. jeff@digitalpromise.org
