Grants to Teach Citizenship and Naturalization

Below is a USCIS grant announcement of a total of \$10M. Applications are due **May 16, 2014**. Details at <http://www.uscis.gov/about-us/citizenship-and-integration-grant-program> Feel free to forward to your local programs who might be interested in applying.

Announcement:

USCIS just published a new funding opportunity that may be of interest to some of your stakeholders. **The grant is for up to \$250,000 over a two year performance period**, and requires both the provision of citizenship instruction and naturalization application services to lawful permanent residents. Eligible organizations include non-profit or public organizations that have experience providing ESL and citizenship instruction to adults. More information about the program can be found at www.uscis.gov/grants.

USCIS is hosting a stakeholder engagement next Tuesday where we will provide an overview of the program, and answer any questions posed by the public. A copy of an invitation to that engagement is found below.

If you think any of your stakeholders would be interested, please share this information.

Please do not hesitate to contact me if you have any questions or concerns.

Thanks,

Steve
