Assessment Policy Guide

New Assessments: A Guide for State Policymakers (February 21, 2014)

This report outlines questions policymakers should ask about proposed new assessments aligned with new college- and career-ready standards and the ways in which the consortia assessments appear poised to answer them. www.all4ed.org

The report is written for day school leadership but many of the policy questions may be helpful to you as you work through the High School Equivalency process.
