Last Chance—PIAAC Solutions

Last week we had four really good discussions with 20 state directors on how to use the PIAAC data to advance our field. The results will inform OVAE's Action Plan.

If you were not free to participate, you have two more chances:

- 1:00 pm EASTERN Friday, February 7
- 3:00 pm EASTERN Friday, February 7

Step 1: Go to this url and select ALL the times you are available to participate.

<http://piaacforum020714.questionpro.com>

Step 2: We will send you a) instructions for joining the discussion and b) a brief discussion guide on Thursday, February 6th.

Attached is the larger "Consultation Paper" used for the five US regional Engagement Sessions Dr. Dann-Messier conducted over the recent weeks. It would be helpful to read and highlight this document.

PS: If you cannot attend, feel free to invite a staff member to represent your state.
