In Search of LEA Trainers

You know how important it is for local program managers to have the skills to manage a performance-based program.

The Leadership Excellence Academies (NAEPDC/CLEE) provide those skills.

As we expand the LEA services, **we need to recruit additional LEA trainers.**

Attached is the trainer application packet.

Please forward it to colleagues who:

- 1) have at least five years local program management experience,
- 2) have a view of adult education beyond one state **and**
- 3) are excellent trainers.

Details are in the attached packet. Trainer applications are due by April 9, 2014

(Note: state applications for LEA 2014-2015 will be emailed to you shortly)
